

The company

PPH POLEXIM GmbH Sp. z o.o.

ul. Obywatelska 129/131

94-104 Łódź, POLAND

is granted authorisation according to Oeko-Tex® Standard 100 to use the Oeko-Tex® mark, based on our test report NC-9046/71/2015

Tested for harmful substances

according to Oeko-Tex® Standard 100

IW 00177

IW

for the following articles:

Woven, plaited or knitted haberdashery (elastic and unelastic tapes, strings etc) bleached and colourful made of synthetic yarns (polyester, polyamide) with (or without) latex rubber threads or elastane yarns (Lycra®) including articles with stiffening or biological active finish accepted by Oeko-Tex®

The results of the inspection made according to Oeko-Tex® Standard 100, **product class II** have shown that the above mentioned goods meet the human-ecological requirements of the standard presently established for products with direct contact to skin.

The certified articles fulfil the requirements of Annex XVII of REACH (incl. the use of azo-dyes, nickel, etc.) as well as the American requirement regarding total content of lead in children's articles (CPSIA; with the exception of accessories made from glass).

The holder of the certificate, who has issued a conformity declaration according to ISO 17050-1, is under an obligation to use the Oeko-Tex® mark only in conjunction with products that conform with the sample initially tested. The conformity is verified by audits.

This authorisation is valid until 31.08.2016
